**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Even in the Silicon Valley there are pockets where there are very few choices for internet service. If the big telecoms are able to stop providing unbundled copper services, it would reduce my options for internet service. We are already lacking in competition as it is and allowing the USTelecom petition to move forward will hurt average consumers like myself.

Please do not allow competition to dwindle in the broadband internet market!
